FACULTY BOOK COLLECTION

◆ 2023 ◆

Hollander Faculty Book Collection was established by the MSU Libraries in 1998 to recognize and honor the scholarly work of MSU faculty members who have written, edited, or translated a book or musical score; contributed to a multimedia work; or participated in a professionally recorded musical performance. Materials for the Hollander Faculty Book Collection are purchased, in part, with funds from the Robert S. and Harriett R. Spira Library Endowment and the Stanley C. and Selma D. Hollander Faculty Book Collection Endowment.
